Just in Case

What a great spot to stop and have a picnic.
I needed a rest.

We needed everything we brought.

I guess
God gives
us all we
need to
live . . .
including
ladybugs.

Hey, that is a ladybug. My book says
ladybugs eat insects that are harmful.

Talk About It

Bible Truth: Don't worry, God knows what you need.

.....
What did Maya, Natalie, and their moms need? Have you ever gone on a hike or played at the playground and become very thirsty but didn't have enough water? Did you begin to worry? What other kinds of worries have you had? What are some ways you can trust God when you begin to worry? I have had worries too. Let's pray together about our worries.

God Knows Our Needs

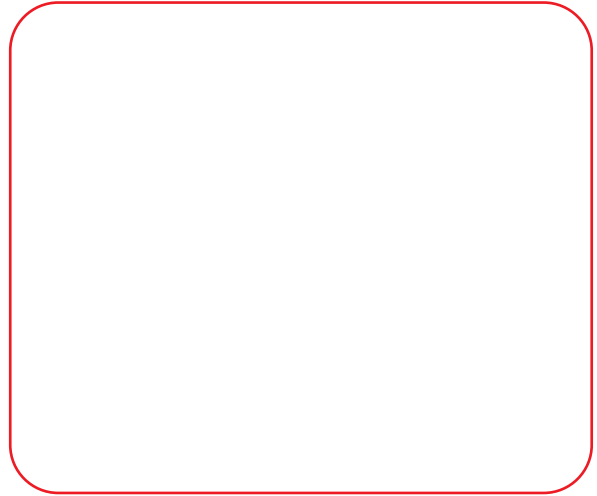

God feeds the birds.

Draw  a bird.

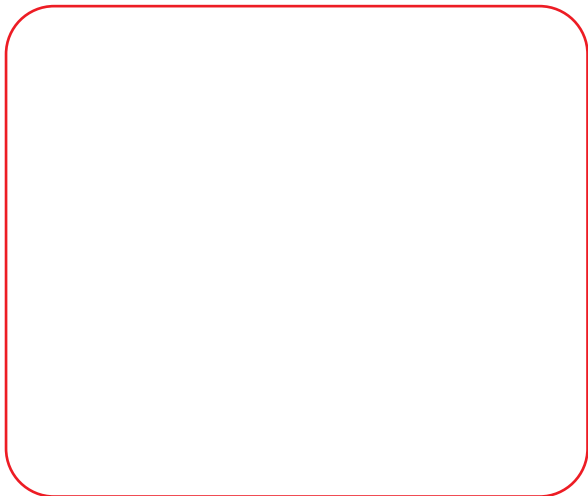

God knows that we need food.

Draw  some food.

God gives pretty colors to the flowers.

Draw  a flower.

God knows that we need clothes.

Draw  some clothes.

Faith in Action

MEMORY VERSE:

“The Father himself
loves you.”

John 16:27

- God knows what we need, so we don't have to worry. What did Jesus tell people to think about when they saw the birds?
- What did Jesus want the people to think about when they saw flowers?
- What will you do the next time you begin to worry?
